The mighty Briksdal and Kjenndalen glaciers, the labyrinthine cobbled streets of Stavanger's Old Town, and the mountainous fjordland scenery seen from aboard the incredible Flåm Railway: these are just a few of the highlights available on this journey of discovery.

In true Fred. Olsen style, an abundance of scenic cruising that's only possible on smaller ships awaits you too, from the narrow Karmsund strait to Lysefjord, flanked by steep granite cliffs. That's not to mention the diversion down Åkrafjord affording views of the tumbling Langfoss, widely regarded as one of Norway's best waterfalls.
