

KENT ACTIVE

THE NEWSLETTER OF THE KENT ACTIVE RETIREMENT ASSOCIATION

Vol: 82

Summer 2023

No 1

Ian Sharp from AshfordARA has taken the reins to be the new Chairman of KentARA, he has also taken over the new post of Vice Chairman and will be running the new area of East Kent. He was born and brought up in Ashford and is married to Linda (Lynne) and has two children and 5 grandchildren.

He does not want to see KentARA fall into decline as he feels it is a worthwhile organisation to give those over 55 years, enjoyment as they retire.

He feels that Joan Rhodes will be a hard act to follow but he hopes everyone will support him, in his two roles, over the coming years to keep KentARA going. In 2024 it will be 40 years since the first ARA was formed.

Our new Secretary is Linda (Lynne) Sharp, she was born in Enfield, Middlesex and moved to Ashford in the 1970's. She met Ian and they married in 1974 and when Lynne retired they both joined Ashford SouthARA and a few years later they visited Ashford ARA to give a talk and were asked to join this club and within a few months she became the Secretary, Holiday Organiser and First Aider. Both she and Ian became Area 3 representatives. She says it will be a hard task to follow the achievements of Lin Martin but she looks forward to meeting many KentARA members at various events.

Photograph taken at the over 55's show in Chatham set up by MP Tracy Crouch MBE KentARA President.

Lft to Rt: Joan Rhodes.
Ian Sharp. Tracy Crouch and
Linda Sharp.

There is now a new Officer on the Executive Committee namely 'The Entertainment Officer' taking up this position is Chrissie Sandell who is hoping she can update the Speakers & Entertainers lists and is asking all the Area Rep's if they will ask their Clubs to collate a list of recent events with details of people they wish to recommend.

The Executive Committee would like to thank Joan Rhodes and Lin Martin for all their hard work over the past years. The position of Chairperson, Secretary and Membership Secretary are not the easiest of positions to do for such a large organisation, but they have both achieved great things for KentARA. During the pandemic Joan would phone round different ARA's to check all was ok. Joan also organised many events including Jamboree's to bring the clubs together, not an easy task in itself.

Lin took on the position of Secretary, but as no-one came forward she also took the role of Membership Secretary as a temporary role, as we all know temporary turns into permanent. They say many hands make light work, but the hands have never come forward. We are sure that all members would like to join us in wishing Joan and Lin all the very best for the future and hope they remain members of KentARA for many years to come. **Ian Sharp-Chairman**

CLUB REPORTS:**BarnARA-Barnhurst:**

One hundred of our members enjoyed a fun afternoon with good food and entertainment, which ended up with a sing song and dance, as most of our get-togethers usually do. **Pam Chapman.**

**BeARA-Bearsted:**

We have had a very busy year this year, where we find many of our members have finally put Covid behind them and are venturing out en masse to participate in various meetings, outings and activities. Our monthly Main Meetings are attracting around about 100 members attending and we have had some outstanding speakers and entertainers.

A full coach of 53 members embarked on **The Mystery Tour** on Thursday 1st June 2023. After leaving Grove Green at 9.30 am, we travelled down the A20 to Charing, then onto Canterbury and finally finished our journey at The Historic Hornby Hobbies Factory Shop and Museum in Margate.

After an hour at this location we continued to lovely Broadstairs for a two hour stay to take lunch and some exercise! We then boarded the coach once again and made a short journey to Manston to the Hurricane and Spitfire Museum, followed by a visit to the RAF History Museum, before our journey home. **Peter Humphreys.**

**ChARA-Charing:**

Here is a picture taken at our Coronation Party, showing KentARA Chairlady Joan Rhodes and her husband Les and sister Pam sitting with Lynne & Ian Sharp.

The entertainment for the party was provided by one of our own ChARA Follies with an "old-time" sing-along.

DoARA-Downswood. DoARA meet weekly and apart from internal activities such as entertainers, speakers and various activities such as bingo etc we have had to date three meals. Newham Court in Maidstone, The Lakes at Leybourne and Aylesford Priory. There has been a day trip to Plucks Gutter near Canterbury that included a meal and also a trip to Deal for the day. There has been a wonderful holiday to North Wales. We had a strawberry Tea in the club with a great entertainer. More outings, meals and another holiday are to follow. **Bernie Dunn.**

WkiARA-West Kingsdown

West Kingsdown ARA again have an invitation for our members to join them on a coach to the gardens at RHS Hyde Hall, near Chelmsford on Wednesday 16 August. Last year over a dozen Eynesford members joined their visit to RHS Wisley which was not only enjoyable but also exceedingly good value. As West KiARA/s Gardening Group have a group RHS membership they are therefore able to make one or two visits a year to any RHS garden at no cost. The coach fare of £15 would be the only charge.

A letter from one of our Past Chairman/Vice Chairman Joan Rhodes.

When I retired, I was introduced by a friend, to the WestmARA club. I made some lovely lasting friends. After several months I was asked if I would take on the role of Social Secretary. I loved it. We had some lovely times, they were ten wonderful years. I went on every trip. Peter Nicholls, the then Chair of KentARA, asked me to take on Area 9/10 secretary's task. I agreed and so began my involvement with KentARA. When Tony Mulcuck took over as chair of KentARA he asked me if I would be the Vice Chair, I agreed. and enjoyed the job and we worked well together.

In 2018, after some years Tony decided to stand down as Chairman. As Vice Chair it fell to me to take over, as Vice Chair I had already seen what the Post required. I took over and served for five years. Although it was time consuming I enjoyed it very much. I enjoyed visiting other clubs. In 2022 the Pandemic affected us all and every club had to close it's doors. Many elderly members were left isolated and cut off. We at KentARA felt we needed and must keep in touch. I and others rang many clubs and helped where we could. I spoke to many members who were seeking advice and assurance in those worrying times. How pleasant it was when restrictions were lifted and we got back to functioning in our normal way.

Unfortunately, due to poor health I had to stand down as Chairlady. As most of you may know Ian Sharp is Chairman of East Kent and his wife Lyn is Secretary. Ray Craddock is Charman of West Kent. I thank them all for stepping forward and taking on these vital jobs.

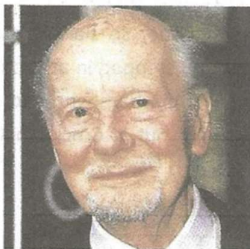

I would like to say how surprised I was, when told that I had been put forward for a BEM. I was both proud and honoured to receive it. I thank you all. The Lord Lieutenant of Kent, who presented the medal, was a lovely lady, she put me at ease and I enjoyed the day at Knole House very much. I will never forget it.

I have been asked to take on the job of Vice President. There may be times when our President, Tracy Crouch, cannot make an appointment and I will stand in. Thank you all.

Love & Best wishes for the future **Joan Rhodes. Vice President KentARA.**

The mystery of missing sun on history trip?

EynsfARA's first trip for a while was to Faversham, for a chance to explore this charming market town, one of Kent's famous Cinque Port's. But on the last day of May, the first question was...why is it so blooming cold? The sun waited until we got back to Eynsford to come out, but fortunately there was plenty of things to do, even after we had enjoyed our lunch.

A short drive away was Provender House, the 13th century home of Princess Olga Romanoff, who conducted a tour for us. This was made even more fascinating by the fact that Olga and her family still live here, and their personal belongings sat alongside priceless artefacts such as an imperial dinner service belonging to the Russian Tsar and his family! That's not the usual National Trust stately home tour! The house has recently been restored with the help of historian Ptolemy Dean. See photo of us all outside this intriguing house.

HalARA-Halling

Members of HalARA have been fundraising for SCAR (Second Chance Animal Rescue, at Crockenhill), over the past year and at HalARA's AGM on Friday 28th April, a cheque for £1,000 was presented to the charity. The manager of the charity was unable to attend due to a sudden health issue, so Barbara Lawrence (one of our members) stepped in at the last moment to accept

the cheque. Gill Morton, Chairman, presented the cheque to Barbara who had nominated the charity and had taken part in the fundraising. Barbara regularly helps out at Crockenhill, so she was the ideal person to accept the cheques for the charity. **Carole Nunn.**

DamARA-Ditton and Malling:

What a great afternoon tea we had on Wednesday 10th May, to celebrate the coronation of King Charles III and Queen Camilla. A crown contest was held and the result was a magnificent display of Royal Crowns that resulted in the following: (see photo) Lft 2nd Pat Barton, Winner Centre Monica Bradshaw and coming 3rd was Rosemary Martin. A wonderful effort by all concerned. There was also a visit to Clacton-on-Sea which was a great success, the members could not have wanted anything better, wonderful sunny weather.

RamARA-Ramsgate:

The members of RamARA have enjoyed an outing to see an Abba Tribute Band at The Inn on the Lake. A Beetle and Snowman Drive, two afternoon Tea Dances, which were a great success, and a Summer Cream Tea, also a

Quiz, coffee morning and Bat & Trap and a Holiday to Scarborough. All together a very busy programme. Coming up we have a B-B-Q, a visit to Herstmonceux Gardens in East Sussex with a visit to Battle and also a holiday to Gunton Hall which includes the Thursford Christmas Show. Plenty going on at the RamARA club. Jan Oxenham.

SiARA-Sittingbourne Members of SiARA enjoyed afternoon tea at The Appleyard in Sittingbourne to celebrate the coronation of King Charles III and Queen Camilla. Twenty-eight members enjoyed delicious sandwiches, scones and cake with unlimited tea and coffee, and Prosecco for some. SiARA's numbers were greatly reduced after lockdown but we are gradually picking up again and hope to enjoy many more social occasions.

A new era for the West Kent ARA: Hello! I am a new boy on the scheme with KentARA. Three years ago Joan was asking for someone to take over the leadership of KentARA. I thought about it at the time but did not feel I had the confidence. When it was suggested about splitting the KentARA at this year's AGM into West and East areas it fitted in with my current involvement with the RNLI as I am an Educational Volunteer. I have visited schools and Youth groups for about 20 years speaking to children about Water and Beach Safety.

My working life was as an Electro Mechanic Engineer for various corporations. I took redundancy in 2000 from the National Grid and then worked as a handyman. My other interests have been as a Local Councillor, Sailing, Playing Green Bowls, Instructor at Sidcup and Chislehurst Sea Cadets and in Amateur Dramatics at Crockenhill.

I currently play Bridge, Short Mat Bowls, Play in an Acoustic Band and also belong to an Art Club and now Vice Chairman at West Kingsdown ARA and KentARA. I'll endeavour to do my best for the groups. All the best: **Ray Craddock.**

ShadARA:

ShadARA like many other ARA's, held a Coronation Cream tea at the Hartley Country Club on the 10th May to celebrate the new King and Queen's coronation. It was well attended with 79 members and guests. We were well entertained by Jonathon Stevens, a wonderful singer, throughout most of the tea, a raffle and quiz on the life of King Charles III was well received by members with one member getting 19 out of 20 of the questions right. A real Royalist!.
